PRESIDENT'S MESSAGE

Dear Friends and Neighbors,

Hello again from the Executive Board of your Albertson Square Civic Association. We hope you are enjoying the weather and are making plans to take full advantage of everything the season has to offer. We are pleased to host another General Membership Meeting at the IU Willets Road Albertson Fire House on June 28th at 7:30 PM. We hope to see as many of you there as possible, but we understand that some of you may prefer a virtual viewing option. We are again broadcasting the event live over Zoom. To join us on Zoom, please email us at albertsoncivicassociation@gmail.com for the clickable link to join the meeting. Members who are already on our email list will get the link sent to them. If you would like to be on our member email list, please email us and we will add you to our contacts, if you have not already done so.

At our last meeting, we were grateful to have Nassau County Legislator Richard Nicoletto speak to our group. A replay of our April Member meeting is available to view on our website at www.albertsoncivicassociation.com.

As with every General Membership Meeting, we've invited a guest speaker to discuss a topic of importance and interest. For June, we are pleased to bring you Mr. John Darcy, Deputy Parks Commissioner for the Town of North Hempstead and a fellow Albertson resident. John will speak about several initiatives the Town is working with us to improve and beautify our community. One of these includes improvements around the Gazebo on the corner of Willis Avenue and IU Willets Road. As you know, the ASCA has hosted Holiday events at the Gazebo which we plan to hold again this year and hope to host new events going forward.

We also will use our next Meeting to bring you up to date on recent Civic Association activities, answer questions and hear your suggestions. In particular, we wish to familiarize you with all with improvements we have recently introduced to our website that will make it so much easier for the ASCA to communicate with you. It can also be a simpler method for you to share problems and ideas that you may have.

We continue to work with local government officials on your behalf on issues before the Town and other government bodies. State, County and Town Government Officials and Representatives are in frequent contact with our Board. Please let us know if there are issues that you would like our help with. We want you to feel you can reach out to us for support. To that end, you can expect speakers from among our local leaders to join us for future Member Meetings. This includes those seeking your vote. We plan to host another Meet the Candidates Night event on Tuesday, October 25th (date to be confirmed as we get closer.) We will invite all candidates running for local office this November. This is your opportunity to hear their views and ask any questions you may have. Please plan to join us for this important meeting.
